

4395

4395

4395 Folding table

High levels of mobility and flexibility, combined with an excellent price-performance ratio – this is what distinguishes the model 4395 folding table. The table top can be folded back with one turn of the hand, while the large rollers also facilitate handling, allowing a single person to convert the table within seconds.

Frame

T-base frame, column and foot stabilizers made from $\varnothing 40 \times 2$ mm tubular metal, soldered together, mounted on four black double rollers with parking brakes, transversal beam made from $\varnothing 40 \times 2$ mm tubular metal, folding mechanism made from glass-fibre reinforced black plastic, equipped with a central release mechanism.

Frame surfaces

Standard version chrome-plated, optionally powder-coated according to the BRUNE® collection.

Table tops

Plate C: 30 mm thick, high-quality multi-layer plywood plate E1, top surface optionally covered with HPL plastic or wood veneer according to the BRUNE® collection. Lower surface white HPL or beech veneer. Straight edge, 2 mm thick, in material to match table top (plastic for plastic, veneer for veneer).

Plate D: 30 mm thick, 28 mm thick high-quality multi-layer plywood plate E1, top surface optionally covered with HPL plastic or wood veneer according to the BRUNE® collection. Lower surface white HPL or beech veneer. Edge with solid beechwood edge band, smooth finish, 9 mm thick.

Plate E: 30 mm thick, 28 mm high-quality multi-layer plywood board E1, coated in high-pressure laminate (HPL) or veneer according to the BRUNE® collection. Lower surface: white HPL or beech veneer. Edge: solid beech edge band, crowned, 9 mm thick.

Veneer finish

Real wood veneer from the BRUNE® collection comes as a standard varnished with a low solvent content water-based lacquer, optionally stained to the BRUNE® collection.

HPL surfaces

Resopal®-HPL from the BRUNE® collection.

Rollers

Double plastic rollers with parking brake.

Note

For the configuration of several tables as a connected table system, we recommend the use of optional table connectors 4001, 4004, for table depths of 70 cm and more also 4003. For the attachment of the table connectors, please provide us with a layout plan.
