UNIGAMMA | Model 1340 without armrests | Model 1345 with armrests

The stackable skid frame always looks light and reduced, with or without armrests. The armrests open to the front are reminiscent of the capital letter Gamma Γ from the Greek alphabet; they offer unrestricted freedom of movement and facilitate the handling. The surface of the comfortable plastic shell is glossy on the back and discreetly matt on the front. Whether at the table or in a row, its unobtrusive elegance makes UNIGAMMA a universally usable piece of seating furniture that also leaves nothing to be desired in terms of function thanks to the optional linking device.

Frame

Skid frame made of Ø 12 mm steel wire, ST37. The crossbars are made of 30 x 6 mm flat steel with rounded edges, welded all around the base. Armrests made from a black soft-grip sleeve.

Frame surfaces

Standard version of the frame: chrome-plated, optionally powder-coated according to the BRUNE® collection.

Seat shell

Ergonomically shaped plastic shell (polypropylene) with an innovative 2-component “sandwich structure” featuring glass-fibre reinforcements that guarantee high levels of elasticity, toughness and rigidity, a slim outline and full recyclability. The dyed fabric has a lightfastness of 6-8 on the Wool scale (maximum value: 8). A non-slip coating has been applied to the interior surfaces of seats and back supports, while their exterior surfaces have a smooth and high-gloss finish, optionally with seat cushion or fully upholstered according to BRUNE® collection.

Plastic colours

* The illustrated colours may differ from the original colours.

Upholstery

Optionally with seat padding or fully upholstered according to BRUNE® collection.

Seat / fully upholstered shell: SG/CH 35/50 ca. 15 mm thick

SG = specific gravity CH = compression hardness

Gliders

Standard version: without gliders
Optionally: plastic gliders
articulated gliders with felt inlay

Dimensions | 1340 without armrests

Dimensions:	B	52 cm
	T	53 cm
	H	85 cm
	SH	45 cm
Weights:		7,5 kg
(incl. optional stacking protection)		8,0 kg (seat padding)
		8,0 kg (fully upholstered)

Dimensions | 1345 with armrests

Dimensions:	B	53 cm
	T	53 cm
	AH	66 cm
	H	85 cm
	SH	45 cm
Weights:		8,0 kg
